

“Rogue”

10 month old Blue Tick Coon Hound

She is a happy go lucky dog. She knows sit, stay, lay, shake, go to bed, load (in vehicle), heel and come. She eats a lot and doesn't seem to gain weight – she also loves rawhide bones. She loves other dogs and often thinks sit means she needs to go sit on the nearest dog. Rogue loves going places in vehicles and does very well in the wilderness. Ideally, she should have a home that has a nice big yard to play in, she enjoys being outside when the weather is nice. Rogue will do best with a firm but loving owner – she is good with cats, dogs and children.
